GENERAL CLUB INFORMATION

MEMBERSHIP FEES FROM SEPTEMBER

The club membership fees will remain at £28.00 per member (1ST CHILD) AND £22.00 (FOR SUBSEQUENT CHILDREN) and will cover the period 1st September 2017 to 31st August 2018.

Alan Stafford will be available from 14th September to collect the membership fee. Please note this fee has to be paid by 30th September 2017 at the latest.

CHANGING ROOMS

Can we ask everyone to be vigilant when using shampoo and conditioner in the changing rooms. Please try and reduce this to the shower cubicles and not the rest of the area.

There have been several incidents over the past 2 months where the public have entered the changing rooms following our sessions and slipped on the "EXCESS SHAMPOO & CONDITIONER" that is spread all over the floor.

MOBILE PHONES/IPADS

The club have had some incidents where mobile phones have been used in changing rooms whilst swimmers/water polo players are changing for their sessions.

The use of mobile phones; laptops, ipads and kindles are strictly prohibited in the changing rooms

Can we also remind **PARENTS** that mobile phones, laptops, ipads cannot be used on the poolside balcony. These can be used in the reception area of the pool.

The club would like to thank you for your co-operation ensuring that all our members are in a safe environment whilst at club sessions

SOCIAL

A BIG THANK YOU for those of you who supported the FUN DAY at the Rugby Club. It was disappointing not to see more members attending – it appeared to be more members of the public attending than club members. However the club managed to raise £915.00

Thanks go to the Social Committee for organising this event – without the fundraising events the club would not be able to continue.

PLEA FOR HELP

The club are looking for more people by either helping on poolside as teachers/coaches or by taking their taking the lifeguard qualification.

Everyone at the club are volunteers and as such we cannot expect them to cover every session that the club organises.

Without more people helping then the club will have to re-assess all their sessions especially during July and August when we may have to put groups together or even cancel sessions due to holiday and work commitments.

SENIOR WATER POLO LAUNCH NIGHT – 9TH SEPTEMBER

More details to follow. Tickets will be available shortly.

CHARITY SWIM 27TH – 29TH JULY

Four members of the Men's Polo team are doing a charity swim across the length of Ullswater which is 8 miles in length. Doesn't seem far for 4 swimmers so were going to do it 8 times in 3 days. That's 64 miles or there about. We will be aiming to be swimming 12 hours a day for 3 days in a relay.

All the money we raise will be split, half for the club and half for the Alzheimer's society at The Union Arms, Tyldesley called "Forgotten Regulars".

Senior Men

3 convincing wins in June for the team against Bridgefield, Bury and Chester.

Addison is continuing training hard within the National setup.

Junior players integrating well within the team as demonstrated by Seb last night against Chester seniors. He's come on in leaps and bounds over the past months and training/playing with the men has contributed to that. He was senior man of the match v Chester last night. Not bad for a 14yr old.
